

# MARINE CLUB OF NEW ORLEANS

## ANNUAL JAY RUCKER MEMORIAL FISHING RODEO

October 28, 2006 in Lafitte at C&M Marina

Mark your Calendars, its time to get your pole wet again at the MCNO annual Fishing Rodeo. We've added a food line up this year that will be "outta-sight". Our Club members and the "Gumbo Crew" will be preparing and serving our own extensive food menu on Saturday, so don't pack any sandwiches in the tackle box. And if you don't fish, the meal, prizes, and festivities will be worth the attendance.

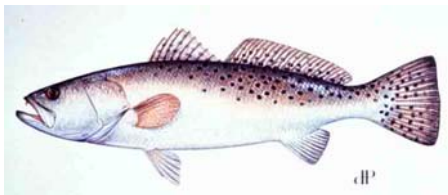

You can gas up the boat, hook up the travel trailers, or you can reserve a guide and overnight accommodations in the local area.

Weigh in is at 2:00 PM. Awards will be as follows:

- |                         |                                       |
|-------------------------|---------------------------------------|
